Dear Mr Arthur

Arthur -v- Layte PZ200604

As you know all communications are, in addition to normal first class post, being e-mailed to you at your declared (to the Court) e-mail address of info@dishonestjudges.org.uk. You registered the domain name dishonestjudges.org.uk in the name of DJ ARTHUR as a **non-trading** individual on the 3 April 2007 as can be seen from the enclosed "who is" lookup. There appears to be no web site currently associated with the domain as can be seen from the enclosed www.dishonestjudges.org.uk lookup result.

The e-mail that I sent to you on 16 April 2008 has been returned "Mail delivery failed" as I rather suspected it might. Please see enclosed message from my mail server. Nevertheless I will be able to prove what was sent (the attachment) and when it was sent should you deny receiving the identical document sent by first class post or "signed for".

This letter will be posted by ordinary first class post on Monday 21 April 2008 but will be e-mailed and uploaded today.

I hope to complete the corrections/additions to my served and filed 2007 bill by midweek.

I would be grateful if you would acknowledge receipt of this letter by return. Failure to do so will result in a copy being sent by "signed for" which doubtless you will refuse.

Isn't it about time you removed your head from the sandpit of lies and deceit your life has become?

Yours sincerely

J H Layte
